

## CURSO

# R PARA CIENCIA DE DATOS

The image shows a screenshot of the RStudio IDE interface. Overlaid on the interface are several hexagonal icons representing different R packages and tools:

- rmarkdown**: A red hexagon with a white feather icon.
- R Studio**: A blue hexagon with the R logo and the text "R Studio".
- rlang**: A dark blue hexagon with a yellow star icon.
- ggplot2**: A blue hexagon with a white network graph icon.
- tidyverse**: A dark blue hexagon with a white star icon.
- readr**: A blue hexagon with a white document icon.
- dplyr**: An orange hexagon with a white wrench icon.
- purrr**: A green hexagon with a white cat icon.
- %>%**: A yellow hexagon with the text "%>% Ceci n'est pas un pipe."

The background shows RStudio code editor with R code, a console window, and a plot window displaying violin plots.

## CURSO ONLINE DE 25 HORAS

Realizable desde 20 de enero a 12 de junio

## PLAZO DE MATRICULACIÓN:

desde 15 de enero de 2020

Certificado de la Universidad de Málaga

t 951 953 075/082

formacion@fguma.es

**fguma.es**

**1 Crédito ECTS**
